

John Gravesen

Mikrobiologi og hygiejne på vandværket/vandbehandlingen

Escherichia coli 1, dyrket i petriskåle

Escherichia coli 3, Gramfarvet

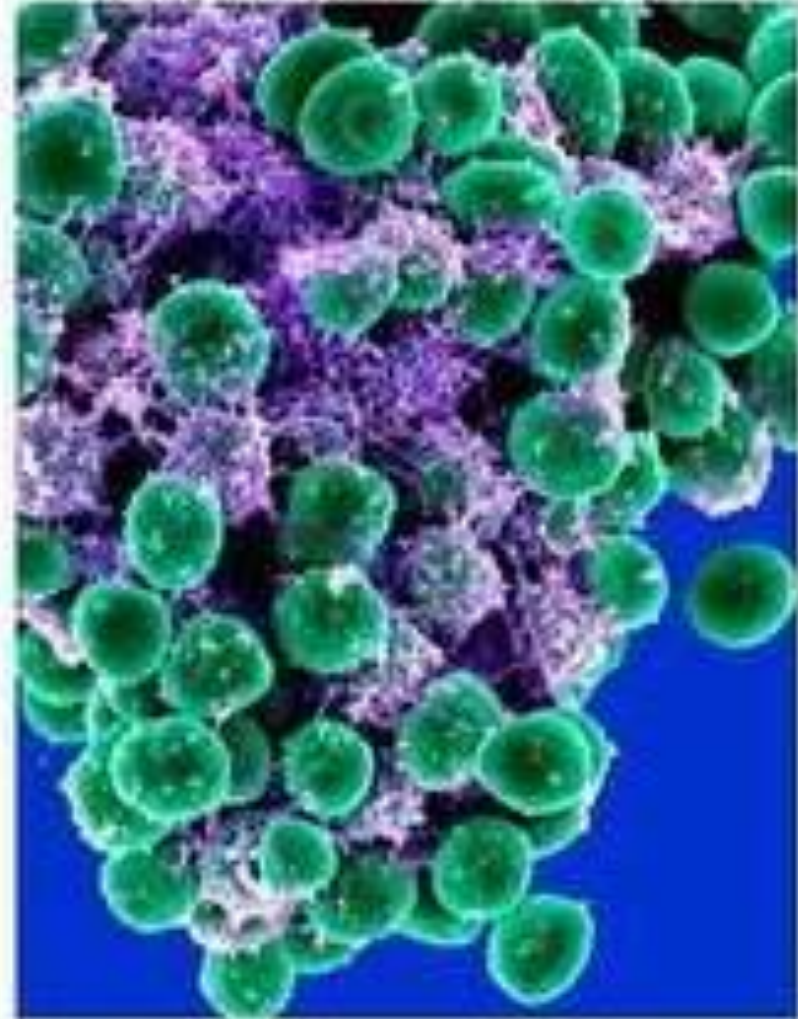

Escherichia coli 4, elektronmikroskopi

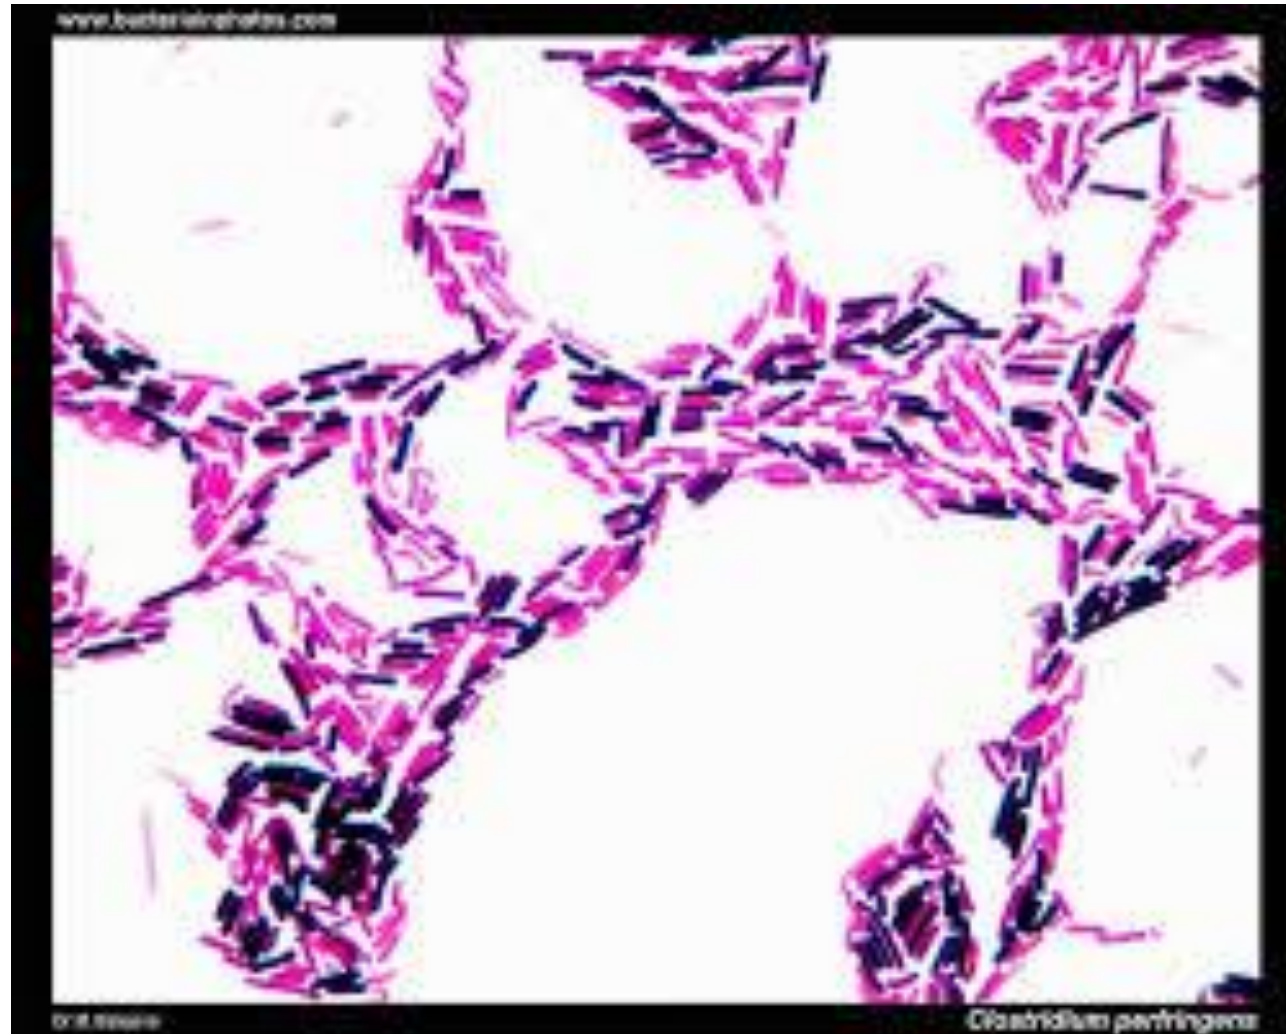

Escherichia coli 6, under deling

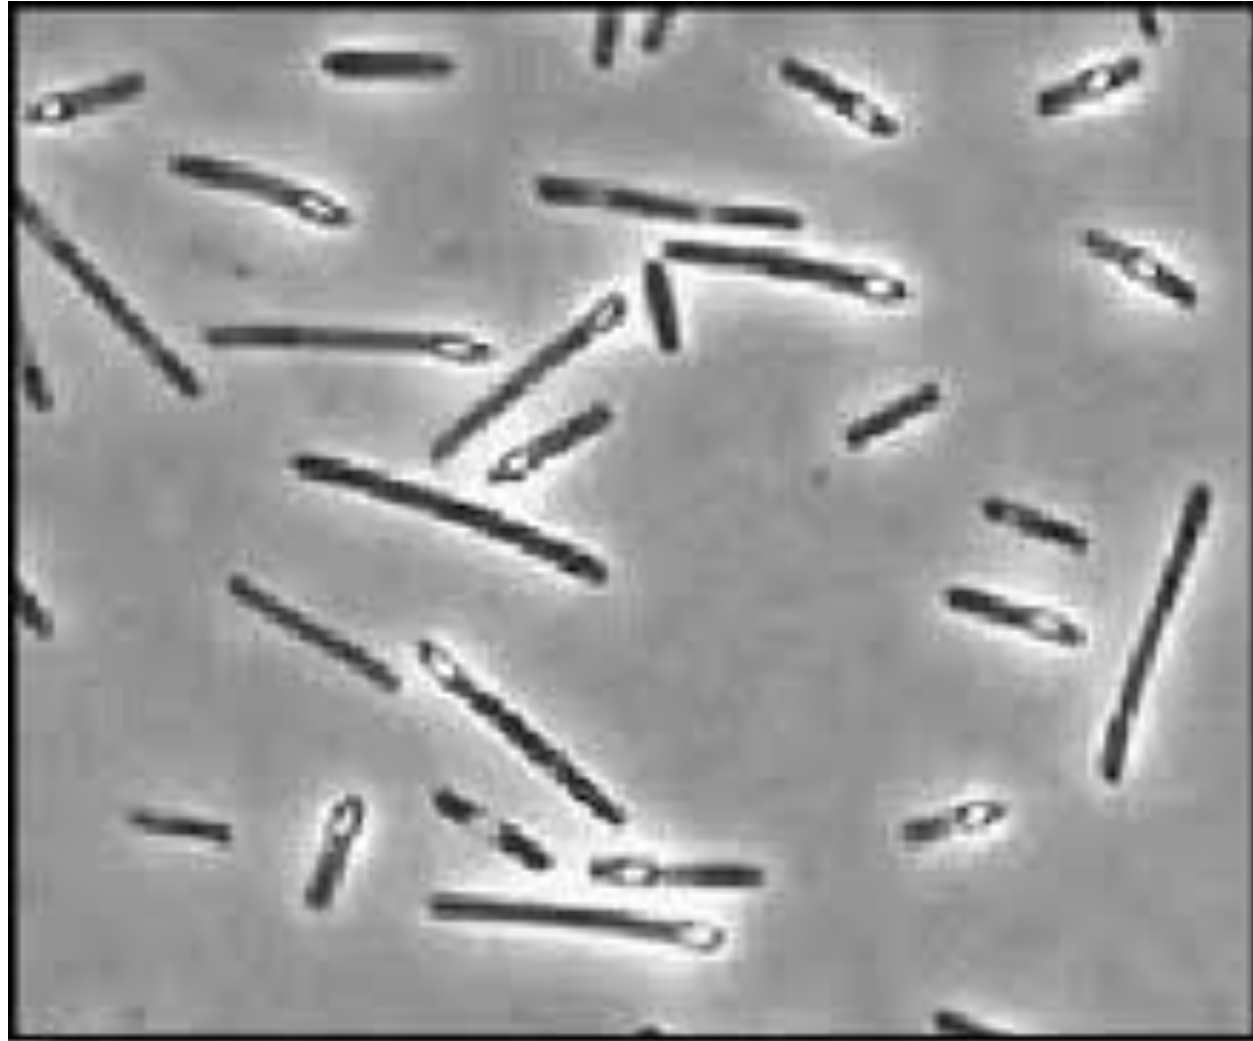

Enterococcus bakterier

Clostridium perfringens, gramfarvet

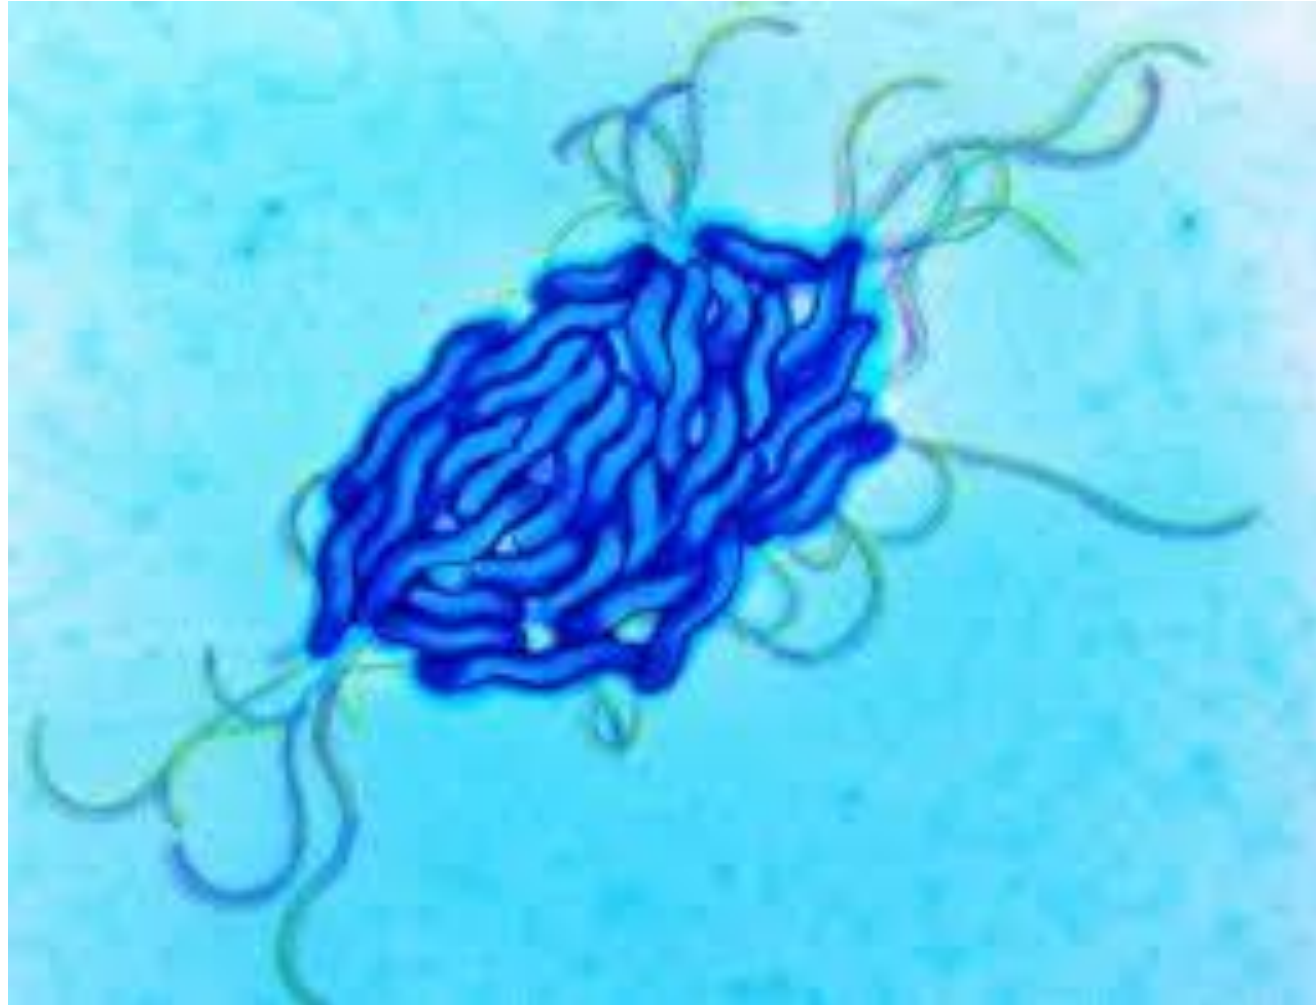

Clostridium perfringens med sporer

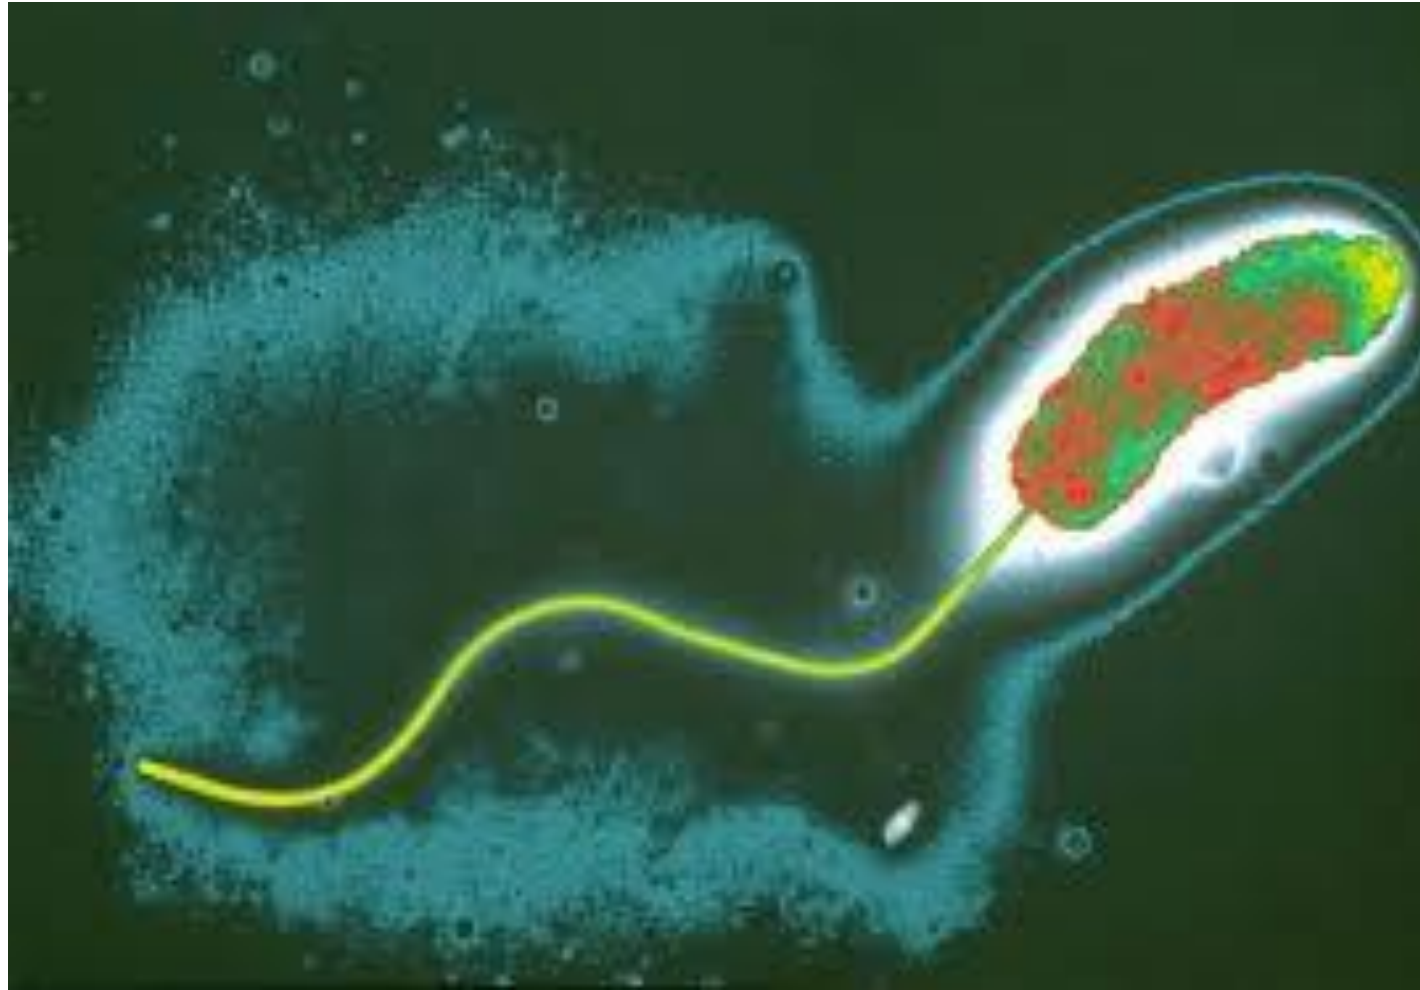

Clostridium perfringens, sår på fod

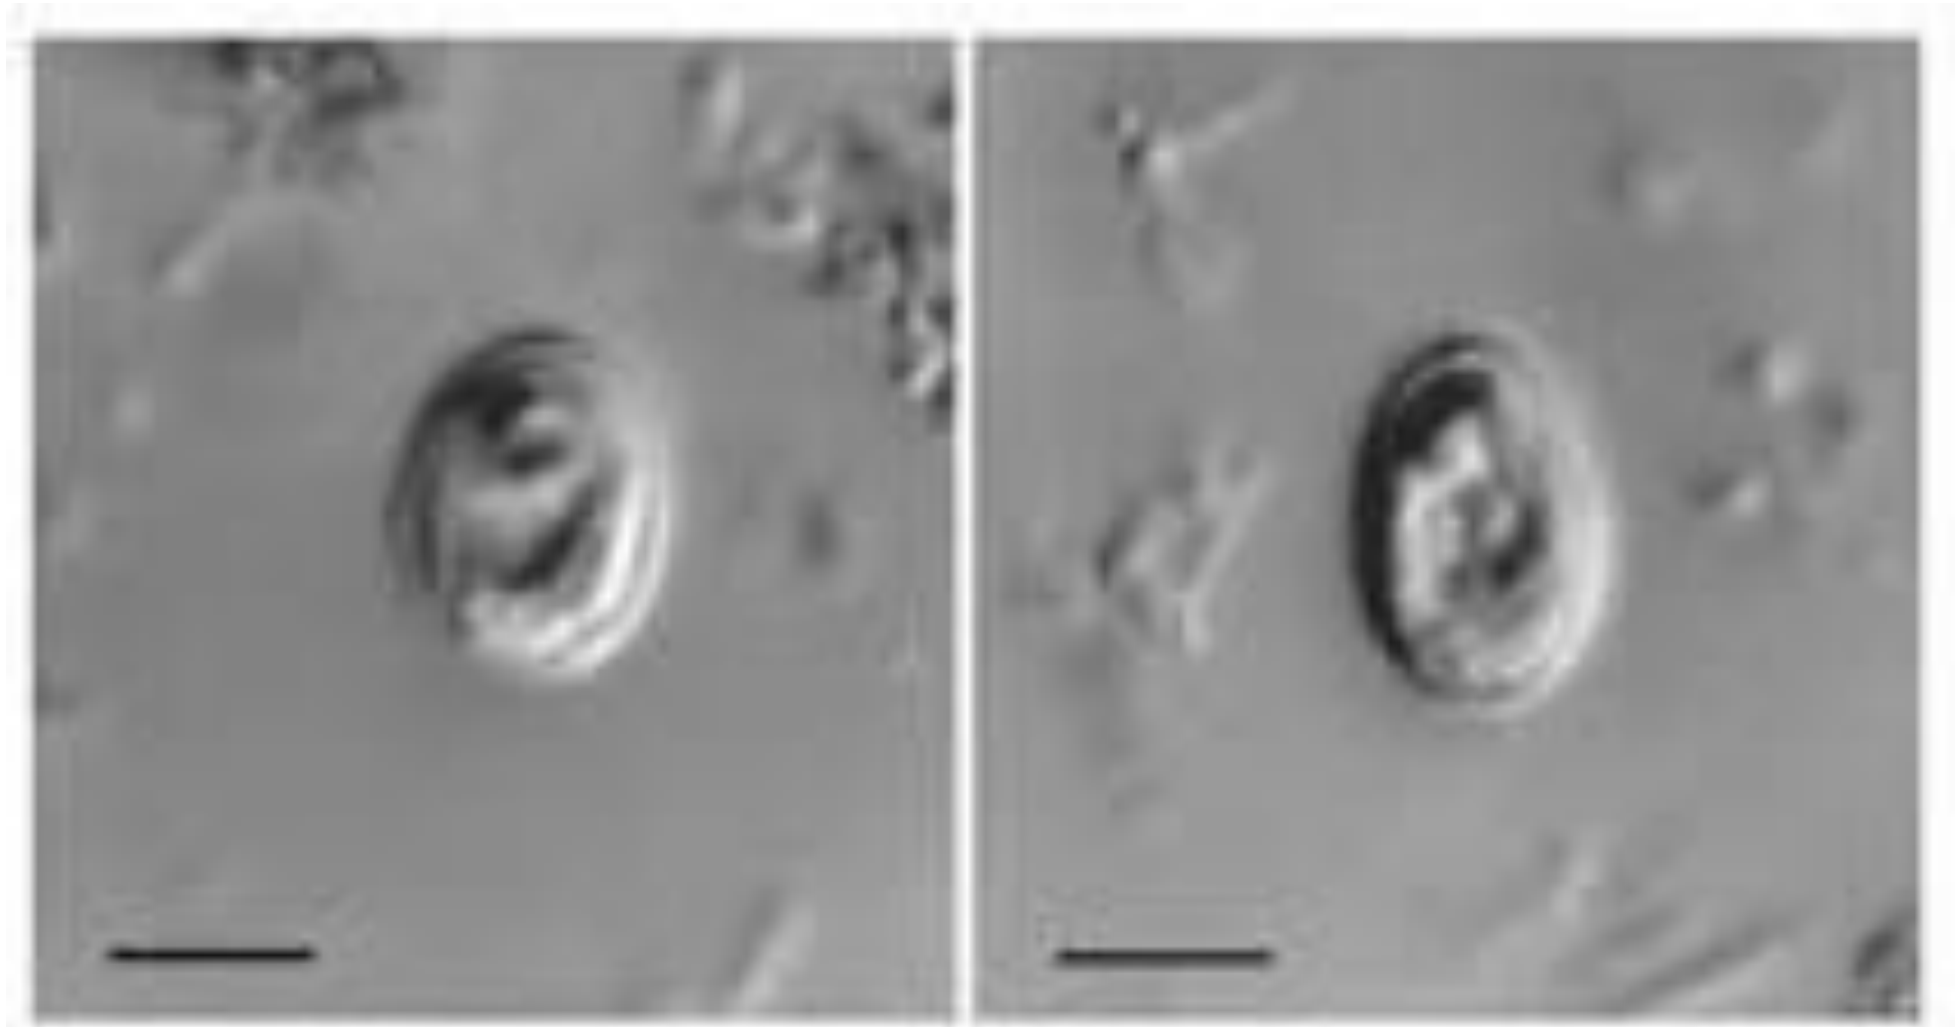

Campylobacter jejuni 2400x

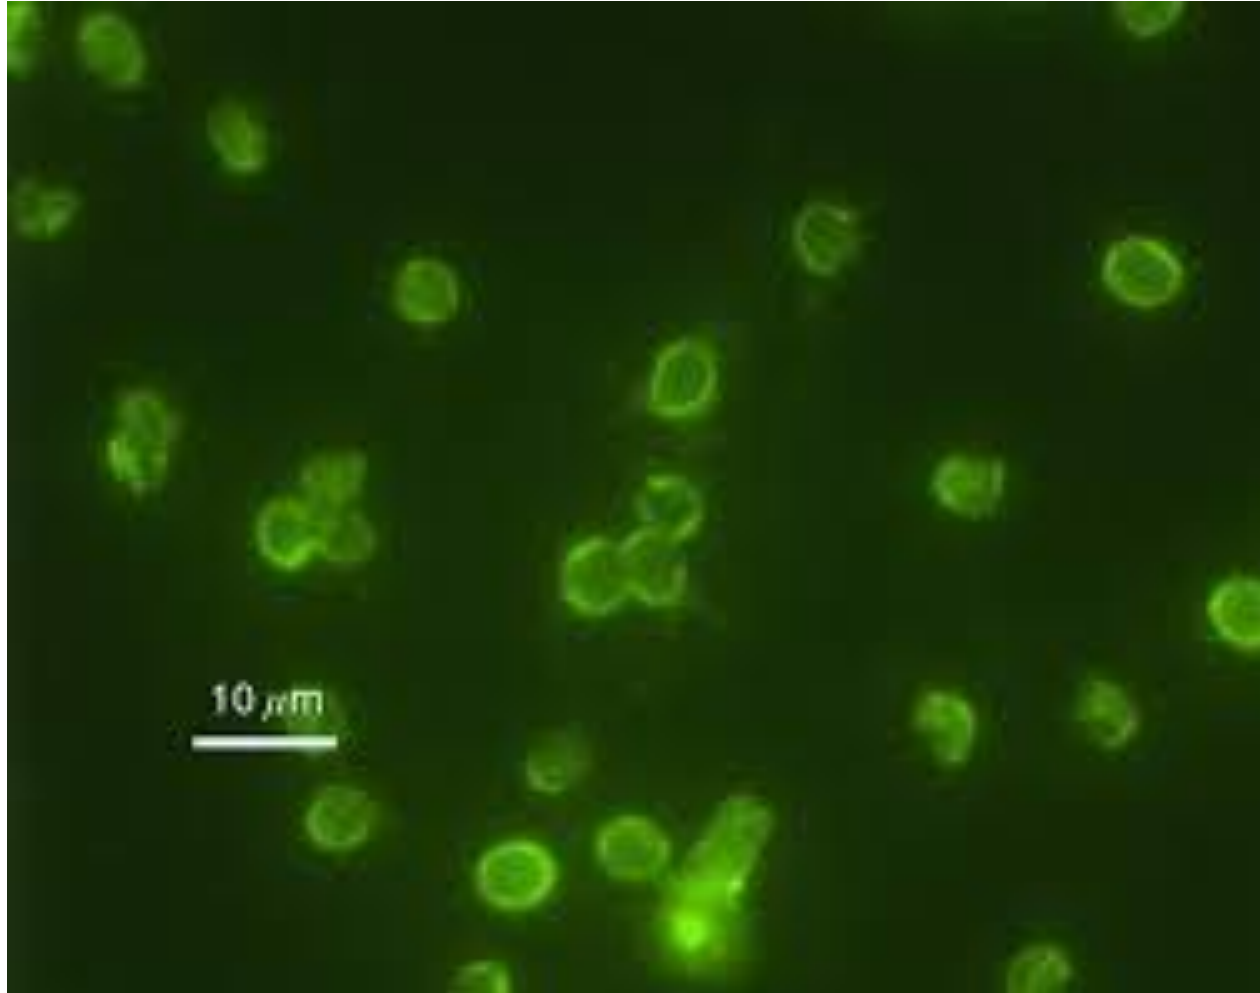

Vibrio cholerae 2

Cryptosporidium muris oocyst

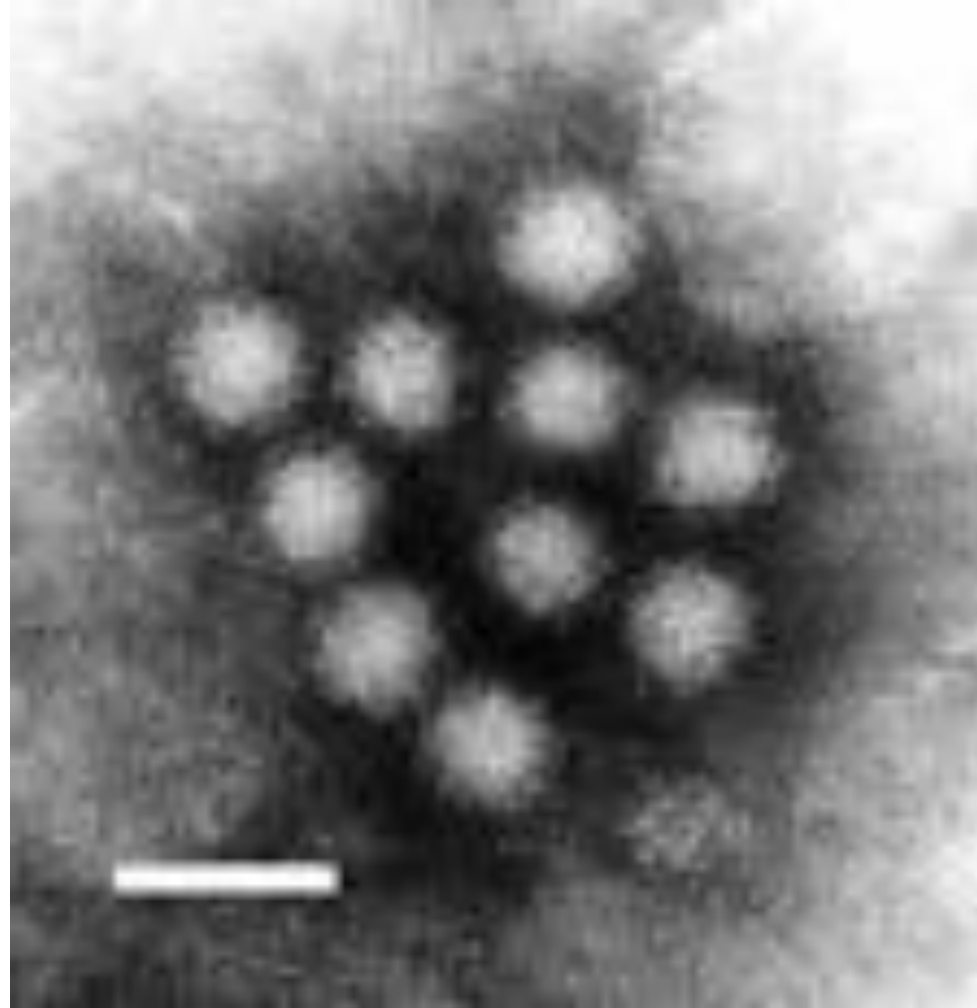

Cryptosporidium parvum oocyst

Ciardia lamblia

Norovirus

Hepatitis virus
